The mission of the Certified Safety and Security Officer Program is to assist in improving the professional preparedness of public and community transportation officers, and to maximize their ability to provide safe and secure transit service.

You will be prepared to:

- Perform an assessment of existing operations
- Identify system strengths
- Identify areas for improvement
- Develop safety, security and emergency preparedness programs

*You Can Bring a  
Brown Bag Lunch  
or Get a Sand-  
wich at a local  
Eatery*

The certification is valid for three years and can be renewed online at [www.ctaa.org/recertification](http://www.ctaa.org/recertification).

Workshop participants will learn how to conduct interviews and employ techniques useful in identifying and addressing all the benchmarks found in the FTA's program's eight critical areas.

**Instructor:** *Len Cahill*

*Participants will review transit safety and security case studies and practice test-taking techniques to assist them in passing the examination component of the training workshop.*
